Parent input in the class placement process is valuable to us. In accordance with the East Grand Rapids Board of Education Policy #8040: *To the extent possible, students are assigned to specific classes, grade levels and teachers by the building Principal. In making assignments, Principals may consider (with input from teachers and parent(s)/guardian(s) the following factors: (i) individual student needs; (ii) learning styles of students; (iii) teaching styles; (iv) gender ratio; (v) heterogeneous make-up of the class; (vi) class size; and (vii) special education needs.*

This form is not required, but may be completed if you feel there is a need to provide us more information. Please describe the specific needs, interests and/or abilities of your child that will assist us in making placement decisions. Please do not request a specific teacher as many factors go into the placement decision, and we have yearly changes in teaching assignments. Please return to the office by **Friday, May 3, 2019.**
